

PASSAGE OF THE HOMESTEAD BILL! GREAT INDUCEMENTS! LIBERAL OFFERS

TO ALL WHO WISH TO SECURE FOR THEMSELVES

A HOME!

THE PROPRIETOR OF

Abilene,

anticipating a large emigration to Western Kansas during the present year, and the location of the

COUNTY SEAT

of Dickinson County at that place, offer the most liberal inducements to all who wish to locate there. To those who will make improvements within twelve months he will donate from two to five lots, according to the amount of improvement. Superior inducements offered to Mechanics. He will also make LIBERAL DONATIONS FOR

CHURCHES, SCHOOLS,

and Public Improvements.

Abilene is beautifully situated on a small stream of clear running water, one mile north of the Smoky Hill River, near the geographical centre of Dickinson county, and on the great thoroughfare from the Missouri River to the Gold Regions, New Mexico, and California. It is the only town between Junction City and Salina, and is located midway—being twenty-five miles from each. The country around Abilene is the most fertile and beautiful that can be found in the State—its character being an intermixture of timber and prairie, peculiarly adapted to agricultural purposes. The fertility of the soil, the excellence of the water, the healthfulness of the location, and the abundance of timber and building stone, are inducements of no ordinary character; while in addition, the rich mineral resources of this portion of the State, the Salt Springs, and extensive Coal Fields west of us on the Smoky Hill, insuring the early completion of a Railroad from the Missouri River, makes it one of the best natural business points in the State.

The town was laid out six months ago, since which time over one hundred lots have been sold, and it now contains a store, blacksmith shop, hotel, Post Office, and several families.

Those wishing further information are referred, by permission, to the following gentlemen, at Junction City, Kansas:
